Email ministry@manchester.anglican.org

**Bishop Lee Scholarship at Trinity College, Cambridge**

This scholarship of about £116 per annum, tenable for three years, is open to the sons and daughters of clergymen who have officiated in the Dioceses of Manchester and Blackburn for a period of five years.

Intending candidates should apply to the Diocesan Registrar, Church House, 90 Deansgate, Manchester M3 2QH for information.

**Ecclesiastical Ministry Bursary Awards**

The Ecclesiastical Ministry Bursary Awards have helped hundreds of ministers to finance their extended study leave. In fact since being established in 1987, Ecclesiastical’s centenary year, nearly 1,000 members of the clergy have now received awards for a wide range of extended leave projects and plans.

**Entry Criteria**

Entries for an award must fulfil the following criteria:

- Awards are open to individual clergy in the Anglican Church in England, Scotland, Wales and Ireland.
- All clergy applying for the awards must be in full-time stipendiary ministry in the Anglican Church and must have been ordained for at least 10 years.
- Applications are also open to church dignitaries – Archdeacons, Bishops and Deans.
- Awards are provided for extended study leave only and not for long term courses such as PhD or university fees (although fees for a course during an extended study leave will be considered).

Entries must be made using the forms provided.

**Judging Criteria**

- Judging of the 2016 entries will take place during November 2015 and awards will be made in December 2015. The amount of the individual awards will be judged on the following criteria:
- Value to the individual applicant
- Benefit to the wider church
- Financial support already committed from other sources
- The strength of the endorsement from a Bishop or Archdeacon supporting your plans

- Projects in the fields of Christian education and training, social responsibility, cross-cultural communication, and pastoral work.
- Projects related to the indigenous people of the 'First Nations' in 'Assisted Dioceses' in Canada.
- The Trustees meet twice a year in March and September, to transact the business of FML and approve grant allocations. Applications for grants may be made at any time; arrangements are in place for allocating grants in the periods between Trustees' meetings where this is appropriate.

As a guide, grants to individuals are usually no more than £500. Details of what they are funding each year and how to apply are shown on the website.

Henry Smith’s Charity

The Poor Clergy Fund - this part of the fund is “for the relief and maintenance of Godly Preachers and for the better furtherance or promotion of knowledge and religion.” The fund has two strands:

The Poor Clergy Fund derives its current remit from an extract of the will of Henry Smith, which bequeathed funds “for the relief and maintenance of Godly Preachers and for the better furtherance or promotion of knowledge and religion”.

The Fund has two strands:

**Individuals - ‘for the relief and maintenance of Godly Preachers’**
Funds are set aside annually for each diocese of the Church of England to assist needy clergy. Grants are made by the Diocesan Bishops from a budget provided by the Charity. The Poor Clergy Fund is not therefore open to applications made directly to the Charity from individual clergy. Grants are only made to ordained clergy of the Church of England and there are specific further guidelines set down by the Charity against which Diocesan Bishops may consider individual clergy for a grant.

**Projects - ‘for the better furtherance or promotion of knowledge and religion’**
The remainder of the Poor Clergy Fund budget not used for grants to individuals is known as the Surplus of the Poor Clergy Fund (referred to hereafter as the Clergy Surplus Fund) and is used to fund projects. The Trustees aim to fund a broad range of both established and innovative work, and are especially interested in work and projects that promote Christianity within the following priorities:

- meeting the spiritual needs of older people (including those with Alzheimer's),
- meeting the spiritual needs of those with a learning disability and those who have cognitive impairment,
- reaching out to the unchurched, especially young people and young families; nurturing their spiritual interest and wellbeing, whether through work within local communities or one-off activities such as events which promote the gospel,
- projects that support and care for Anglican clergy at times of acute need.

Trustees are keen to maximise the impact of their grant making and therefore some further factors it may also be helpful to think about when considering whether a project is likely to be of interest are:
- does the project have potential for wider impact/replication?
- does the project have the consent of the Diocese/or the involvement of the wider local and/or religious community (i.e. is the project well networked and therefore likely to be expandable and replicable)?

**Applying for a Clergy Surplus Grant**
The Clergy Committee meets three times a year in July, October and January to make decisions on applications received. The deadlines for receipt of applications are as follows:
- 1 May for the July meeting
- 14 August for the October meeting
• 20 November for the January meeting

Please read the full guidelines for the grant programme before making an application. These are available to download from the website.
